ACTIV Meble Sp. z o.o. (Ltd) is based in Pszczółki, about 30 kilometres away from Gdańsk.

Our asset are furniture eco-friendly for environment.

The works included in the offer of ACTIV Meble can be performed in hotel facilities, private objects, shops, offices and on boards of any seagoing ship.

The company specializes in the manufacture of furniture using a wide range of materials: solid wood, plywood, chipboard, MDF, Cori, stone, glass, veneer, laminates, and other.

Adapting to the needs of the customer, we assemble to our furniture, fittings leading manufacturers from all over Europe.

Experience and cooperation with our customers has allowed to create products that meet even the greatest expectations of each customer. To ensure the highest standard of the work outside Polish territory, ACTIV has its own mobile group of highly skilled workers, supported by our own team of containerized logistics, materials and equipment.

We invite you to cooperation.
